SEPTEMBER 2018

Message from the PAC Executive

We are already half way through September and off to a good start. The PAC has been busy focusing on the first few upcoming fundraising events for the school year and setting up the Hot lunch site. This month we would like to tell you a little about who we are and what the PAC does for the School.

Who we are?

We are a group of dedicated parents who work hard to give our children a great experience in school. Every parent is a member of the school PAC and can attend the monthly PAC meetings. The meetings are held on the second Wednesday of each month in the school library at 6:30 p.m. Find us on Facebook at: Crystal View PAC for Events, Reminders & Updates

What the PAC does?

The PAC's job is to raise money so that our kids can experience the most out of our school. Throughout the year we will have several fundraisers that you can choose to support as well we provide hot lunch days for the students. The PAC also is the liaison between parents, students, community, and the School and School Board Office to develop, enhance and foster ongoing communication and relationships, so if you have any concerns or questions please attend the meetings and let us know.

Funds Raised

All funds raised through the school go right back to our children. Without fundraising we wouldn't be able to give the school extra technology, sports and outdoor equipment, fieldtrips, music equipment, extra special cultural events, and earthquake preparedness. We also supply each teacher with a dollar amount to help with costs in their classroom. We encourage all parents to get involved in our great school. If you can't attend meetings, please come out and volunteer for a fundraiser. It is a great way to find out just how excellent Crystal View Elementary is.

2018-19 PAC Executive

President - Tanya Lajoie

Vice President - April Flannagan

Treasurer - Rebecca Pacey
