

Message from Ms.D.

Hello everyone!

We are going to start a monthly newsletter, sending out important information about upcoming dates, events and also highlighting school celebrations and learning! Look for it mid-month. We will still continue with our monthly Good News, Good News. It will air at the end of the month. Thank you to all of you who responded to our survey and shared your feedback. Glad to know so many of you are watching. Please keep sending in pictures, videos and good news stories. We love to share these stories with our entire school community! Not only do the students enjoy anchoring and starring in the news series, they also like watching the newscasts during their lunch eating time!

I will continue to send regular emails, keep our website updated and now we also have a Twitter account. Follow us @CrystalViewSD62. We are working hard to keep everyone connected as we navigate these new and interesting times. You are important to our learning community!

Our PAC also keeps everyone up-to-date through their Crystal View PAC FB page. Thank you!

Let me know what you would like to see and read in our newsletter! kdecicco@sd62.bc.ca

Take care and stay safe!

Upcoming adventures

At the beginning of March, four of our classes will begin working on the garden at the front of our school. They will continue into the spring and we are all looking forward to picking and eating fresh vegetables.

All the classes have finished their clay squares depicting the different flora and fauna which can be found during each of the 13 Coast Salish Moons. We will soon be glazing the tiles and then attaching them in panels to the cement wall which surrounds our garden. We will post pics in May when it is complete. Make sure to ask your child about this school wide project!

Our shed has been purchased and rebuilt. Thank you PAC! The children are once again enjoying the sandbox, digging and building with their various sandbox toys.

Read-a-Thon Highlights!

Thank you to all of you for enthusiastic support of this fundraiser. It was so much fun that we are hoping it will become an annual event. We raised close to \$6500.00 celebrating literacy. What could be better than that???? Make sure to check out Good News, Good News for picture and video highlights of Literacy Week and reading adventures.

A Good-Bye and a Welcome Back!

We would like to acknowledge the tremendous contributions made to our school by Ms. Moloney. Ms. Moloney will be leaving us on March 1st as Mrs. Carpenter returns to teach the Grade 3 class. Thank you, Ms. Moloney for all you have done to provide meaningful learning opportunities and special connections for the students you have taught. You will be missed by all of us. Hopefully you will be back soon as a TOC!

Welcome back to Mrs. Carpenter. We are so glad you are returning and that you will be teaching the Grade 3 class with Mr. Sharpe. You are going to be a dynamic duo and we look forward to sharing the rest of the year with you both!
