

Message from Ms.D.

Welcome back from Spring Break! We hope that you had a marvelous time with your families. Please feel free to send us pictures of your adventures and we will be sure to include them in our April Good News, Good News episode.

I would love to hear from you regarding what kind of information you would like to receive in our monthly newsletter. Please send to kdecicco@sd62.bc.ca and I will try to accommodate your requests.

We thoroughly enjoyed chatting with you at our parent/teacher/student conferences. It is a very special time for us when we stop to celebrate and acknowledge a child's growth and accomplishments, especially with their parents and caregivers! Although this year may have seemed a little tricky as we worked together to implement all of the incredibly important COVID protocols, we are incredibly proud of what we have accomplished as a learning community. The learning opportunities have been rich and relevant, the play has been full of exploration and creativity, and our connections with each other continue to be as important and meaningful as ever!

Together we will continue to follow the protocols, staying safe, looking after ourselves and each other and having a ton of fun along the way!

Take care, Karen

SAFER SCHOOLS PRESENTATION

On March 31st, from 6:30-7:30 PAC is hosting an informative and important virtual meeting from SAFER SCHOOLS regarding on-line safety. It is free and you can watch from comfort of your home. See link and ID below.

Meeting ID: 890 0671 1714

We would also love to see you at our PAC meeting on Tuesday, April 13th at 6:30. You can always find information on the PAC FB page too!

Our school website is also a great place to find information!

UPCOMING ADVENTURES

We have many events to look forward to in the last months of this school year. Although COVID Health and Safety protocols require us to hold events a little differently than in years past, our creative and enthusiastic school community is working hard to make sure we still find ways to connect and celebrate.

We will hold a live virtual Spring Concert on May 20th at 1:00 pm. Stay tuned for more details!

On June 7th, we will host a drive-through Kindergarten Orientation. We will also be sending out a welcome video and survey to our new families.

Stay tuned for information about our school Yearbook! Stephanie Tomlinson is our fabulous creator, editor and organizer for this venture. THANK YOU, Stephanie!

The Grade 5 students are working hard to raise funds for their end of year COVID safe celebrations and trip. We will be hosting a drive-through grad ceremony near the end of June. It will be fabulous!

Don't forget to stop by the school on April 10th for our Grade 5 sponsored Bottle Drive. Save your spring break bottles and we will see you there.
