

### Message from Ms.D.

Thank you to everyone! We did it. We worked together and our students experienced a safe, meaningful and learning rich school year! As the kids might say, "We rocked it!".

Before we say goodbye, there are a few more items to discuss and events to experience. A HUGE THANK YOU to our entire school staff, particularly Ms. Fiorin, and Ms. Dovell, for all their work in teaching, creating and organizing for our Spring Concert. To Mrs. Wardell too for the beautiful backdrop. What a way to end the year! The kids loved it and from what I have heard from many of you, our community enjoyed it too! We had viewers from many places including Ireland, Britain, many places in the United States and all over Canada. I wonder where the video will go?

School Supply Lists for next year and the link to the ordering form were emailed out last week. The lists can also be found on our school website. If you need further assistance, please feel free to contact the school.

Your child's year-end report will be coming home as a paper copy on the last day. It will also be published on MyEd in the Parent Portal on June 29<sup>th</sup>. You were emailed instructions of how to access the reports on-line a few weeks ago. Please feel free to contact the school office if you have difficulty accessing the portal. This will be the last year that you will receive a paper copy of the year-end summative report. In coming years, the report will only be found in Myed.

The last day of school for this year, is June 29<sup>th</sup>. Children in Grades 1-5 will return to school on September 7<sup>th</sup>, with Kindergarten students starting on Sept. 13<sup>th</sup> (half day), 14<sup>th</sup> (half day) and 15<sup>th</sup>(full day).

We will hopefully be meeting you in person (cross your fingers) on September 30<sup>th</sup> at our Meet the Teacher PAC sponsored BBQ! Yahoooo!

Thank you for sending in your gently used books to Mrs. Spencer. She is working hard to create reading packages for students to take home for the summer. Again, thank you for your never-ending generosity and caring for our students and our community. You are appreciated by all.

Stay tuned for the last Good News, Good News of the year. It will be published on the last day of the year. In it, will be a video \ of pictures overviewing this amazing crazy year and some good-byes to staff leaving us this year.

Once again, THANK YOU to all of you for your never-ending support and for helping to keep us all safe.

Take care and see you next year,  
Karen

### UPCOMING ADVENTURES

#### Spring Concert Recording

Here is the LINK to the recorded version of the concert. We noticed it is a little blurry but you can still hear them loud and clear! Well, except for a glitch at the beginning where we had no sound- but it was only for a minute and then we found the sound again. It was such a wonderful event.

#### Drive-Through Kindie Welcome Video

Thank you for your attendance at our Drive-Through. We saw almost all of our new Kindergarten students and their families. It was wonderful. We will be putting all the pictures we took into a video and will send it to you with the virtual tour of the school we are sending by email at the end of the month. Stay Tuned!

#### Grade Five Year End Drive-Through Celebration

On June 25<sup>th</sup>, from 3:15 to 5:15, we will be hosting a Drive-Through Celebration of our Grade 5s. Please note that we will be working together to organize traffic at the end of the day for both Drive-Throughs. Thank you for your patience and ongoing support! These are going to be fun events for our community!
