The Parent Advisory Committee (PAC) meets once a month in the library. It is a great way to meet other parents, find out what is happening around the school and contribute to the school community. The first meeting this school year is this Tuesday at 6:30pm. Everyone welcome and free child minding for school-aged kids available.

## PARKING

Reminder when dropping and picking up students to respect no parking signs and not block driveways and access for our neighbors. It is a busy time and we want to make sure everyone gets home safely

**Sept. 21st** - Photo Day
