CRYSTAL VIEW WEEKLY

Happy 2025!

As we head into the new calendar year I just want to express my gratitude to the Crystal View Community. Teachers and support staff - thank-you for your hard-work and dedication to making sure all students have amazing learning opportunities. Students - for the kindness, hard work, and joy that you bring into the school. PAC for the events, fundraising and community building. Parents for your support and sending us such wonderful kids! I look forward to seeing everyone in 2025! Please remember to reach out with any questions, concerns, or ideas.

NINENE – MOON OF THE CHILD

The Coast Salish People recognize 13 lunar phases in the calendar year. Each phase represents a seasonal change and is named after events that occur during the time. January is Ninene - Moon of the Child

The face of the young man represents youth, a new beginning, the rebirth of the animal world, and the new edible shoots. This is the Saanich New Year. The moon's yellow hair is the returning light to the world.
