CRYSTAL VIEW WEEKLY

GLOBAL PLAY DAY - WEDNESDAY FEBRUARY 5

Crystal View will be participating in Global Playday On Wednesday, February 5. The inaugural Global School Play Day took place on February 4, 2015, and involved over 65,000 students from around the world. Over the years, the event has gained momentum, with an increasing number of schools and educators participating each year. During Global School Play Day, students are given ample time for free play without the use of screens, structured games, or adult direction. The idea is to let children explore their creativity, problem-solving skills, and social interactions in an unstructured and spontaneous environment.

"You can discover more about a person in an hour of play than in a year of conversation." ~ Plato
