

# CRYSTAL VIEW WEEKLY

## CROSS COUNTRY

The Spring cross country race is coming up next week. Our school practices have begun and forms go home this week. Please note some big changes to parking and spectating at this race in the attachment sent home with the email. Please reach out to Ms. Sagodi if you have any questions. Cross country races are for students in grades 2-5.

## SOCCER

The soccer season has started with Grades 3-5 playing intramural games in the gym for the first 4 practices. In May, notices will be sent home with only the Grade 4-5 students who can attend the Jamboree in the middle of May. If anyone missed sign up and wants to participate in soccer, come out to our Tuesday practices in the gym at lunch!
