## CENQOLEW – THE DOG SALMON RETURN TO EARTH (SEPTEMBER)

The Dog Salmon return to the Earth Moon at this time. The colours are Dog Salmon (ochre red). The men are returning the bones of the salmon to the sea, with thanks, in the belief that the bones will come to life and replenish the salmon stocks. The man raises his oar to show honour and respect to our relative, the salmon, who helps us survive.

### NEW CLASSES

Students have moved into their new classes. Teachers will be connecting soon to tell you more about the class and how classroom communication will work. Please reach out to your student's teachers with any questions you may have. Open communication between parents and teachers helps ensure a successful year.
