The Power of Reading at Home

Reading at home is a proven way to improve your child's success at school and beyond. If you read 20 mins a night with your child that means 3 600 minutes of reading in a school year and 1 800 000 words.

Please reach out to your classroom teacher if you need ideas for books and ways to engage in the reading with your children.

Lost and Found!

Our lost and found is already filling up. Thank-you to our PAC who have posted some pictures on their facebook page. Please encourage your students to look for missing items and if you label clothes clearly we will also work on returning them.

Spirit Wear is on Sale!!!

Crystal View Spirit Wear

Dress for the Weather

Fall weather is upon us. Please ensure that students have proper gear for colder, rainy weather. It is also very helpful for students to have a change of clothes (pants and socks!!) so they do not have to remain in wet clothes.

Week at a Glance

Monday
