CRYSTAL VIEW HOLIDAY STORE

December 10th 2025

What is the holiday store?

The Annual Crystal View Holiday Store is one of our students' favourite events of the year and it's just around the corner! This special tradition lets students experience the joy of giving as they "shop" for gifts for their loved ones all on their own. With each child choosing three or more gifts, we need your help gathering enough treasures to fill the tables!

How it works: The PAC will collect donated items from CV families, which will be displayed in the gym on December 10th. Students will visit the "store" with their class and, with help from volunteers, choose one gift per person in their household, for \$2 each. Volunteers will then wrap the gifts — complete with tags — so your child can bring home surprise presents.

Our Grade 5 students will wrap their own gifts— one of their favorite parts of the event!

We appreciate your support: The PAC is now collecting gently used or new items — things you'd be happy to give or receive as a gift! Great donations include games, puzzles, books, toys for all ages, like-new stuffies, household décor, garden items, jewelry, and more.

We're also happily accepting wrapping supplies -wrapping paper (plain or festive), tape, ribbon, bows, and gift tags.
If you'd prefer to contribute in another way, the PAC also gratefully accepts donations on the CHOMP website to help purchase additional gifts and wrapping materials for the store.

Donations needed:

Gently Used Items

- *All donations are appreciated, especially men's and teen gift items, which are always the hardest to find!*

Gift Wrapping Items

- Gift wrap/tissue paper (plain or festive)
- Gift boxes/gift bags
- Gift tags

Where to bring donations?

There will be a box labeled

Holiday Store just outside the office.

More info to come

More details about this wonderful event will be sent home with your students in the coming weeks.
