

# Crystal View Weekly

June 15-19, 2026

## Warm Weather Reminder

Mon  
15 Jun

28°C

Tue  
16 Jun

24°C

With next week expected to be quite warm, please ensure your student(s) come to school prepared for the weather; hats for outside time, water bottles to stay hydrated throughout the day, etc.

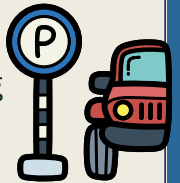

We have plenty of shady spots outside for students to escape the sun as needed.

## Parking Lot

We know our parking lots can get very busy during pick up and drop off times. Please ensure you are parking with adequate room to open your car doors and maneuver as needed. Please do not park in the bus loop.

Drive slowly and with caution. We appreciate your help with keeping our parking lots safe for all!
